Things that disturbâ€They haunt the mind, forming shadows filled with fear, terror, and sickening horror. Collected here are tales that will spawn those shadows: a pill that makes gods of men with heavy consequences; an outbreak of the undead in an already war-torn city; mountains that seduce and kill; a justice minister who must face the consequences of his rulings; a ghost that likes to play with dolls; a science experiment gone wrong; a gym membership that will really change your life; memories that torture; accidental deaths that are anything but â€“ these are just a few of the offerings enclosed.
