The seventh work in the New York Times and #1 internationally bestselling series that started with the Beautiful Bastard, Beautiful Stranger, and Beautiful Player novels. Featuring all the Beautiful characters...plus one tiny new addition to the group.

In Beautiful Stranger, finance whiz Sara Dillon met the irresistibly sexy Brit, Max Stella, at a New York City club. Through the series we've watched them learn to balance commitment with their less than private brand of playfulness. In Beautiful Beloved, Max and Sara take it to the next step. But the question is: Will they be able to find a balance between the wild sexcapades they aren't ready to retire, and the demands of parenthood that come along with their new Beautiful bundle of joy? Parenthood: it's not for the weak of heart
