We do not have responsibility with missing file of this book.

From New York Times bestselling author Penelope Ward, comes a new, sexy standalone novel.

Growing up, the three of us were friends.

He was the nerd.

I was the playboy.

She was the beauty.

Deep down, I only ever wanted her. I kept it inside because Rory and I made a pact that our friend, Amber, was off-limits.

He lied.

I went off to college, and he got the girl.

Amber never knew how I felt.

They were together for yearsâ€”before he broke her heart.

Through it all and across the miles, she and I casually stayed in touch.

When my job sent me to Boston for a three-month contract position, Amber let me stay in her spare room.

Still reeling from her breakup, sheâ€™d sworn off men.

One night, I opened her computer to find the shock of my life. Sheâ€™d hesitantly contacted a male escort company. Afraid to date and get her heart broken again, she was looking for sex with no strings.

Every emotion imaginable ran through me: protectiveness, jealousyâ€”curiosity.

Amber had chosen Gentleman Number Nine and sent him a message.

She opened up to him, confessing, among other things, her physical attraction to her friendâ€”me. But she considered me off-limitsâ€”and she thought I was a manwhore. (Ironic, considering the circumstances.)

Eventually, she set up a date to meet Gentleman Nine at a hotel.

When she showed up several nights later to meet him, she was stunned to see me standing thereâ€”with an offer I hoped she wouldnâ€™t refuse.
