Winner of the Nobel Prize for Literature in 1909 – the first woman to be so honored – Swedish novelist Selma Lagerlöf (1858–1940) was a gifted storyteller whose writings were often tinged with the supernatural and rooted in the sagas and legends of her homeland.

She secured her reputation as a children's-book author with *The Wonderful Adventures of Nils*, long considered a masterpiece of children's literature. Written at the request of Swedish school authorities and first published in 1906, it is the enchanting and remarkably original tale of Nils Holgersson, a mischievous boy of 14 who is changed by an elf into a tiny being able to understand the speech of birds and animals.

Brilliantly weaving fact and fiction into a breathtaking and beautiful fable, the story recounts Nils's adventures as he is transported over the countryside on the back of a goose. From this vantage point, Nils witnesses a host of events that provide young readers with an abundance of information about nature, geography, folklore, animal life, and more.

Reset in easy-to-read type and enhanced with 10 new illustrations, this inexpensive, unabridged edition will bring new generations of readers under the magical spell of a timeless classic.
